The law I want to enact/repeal is:

This law is important because:

By submitting your application, you understand and agree that the producer is under no obligation to accept you as a participant, and that the application is merely for the purpose of evaluating potential participants.

You further understand that applicants do not receive a fee or any other compensation or consideration for applying and being selected to participate in You Make The Laws.

By submitting your application, you represent and warrant that all statements you make in that application are true and correct and you understand that that any false or misleading information submitted in the application is grounds for your immediate elimination from consideration.
